

RIDHI JAIN

BRANDING & VISUAL COMMUNICATIONS

Delhi NCR, India | +91 75082 14094

[LinkedIn Profile](#) | thatssoridhi@gmail.com

Visual Communication Designer and visual storyteller, transforming ideas, brands, and spaces into compelling, human-centered narratives. Working across print, digital, and experiential formats, I use graphics, illustration, photography, and videography to translate complex ideas into meaningful visual experiences that inform, engage, and inspire diverse audiences.

TOOLS & SOFTWARE:

Adobe Photoshop, Illustrator, Premiere Pro, After Effects, and InDesign; Procreate, DaVinci Resolve, Figma, and Microsoft PowerPoint.

CORE COMPETENCIES

Brand & Communications Strategy • Creative Operations • Project Storytelling • Media & Publication Packaging • Business Development Support • Employer Branding • Photography & Videography Direction • Visual Communication • Vendor & Agency Management • Organizational Storytelling • Cross-functional Stakeholder Management

EDUCATION

Bachelor of Architecture (B.Arch.)

Guru Nanak Dev University | 2013 – 2018

PROFESSIONAL EXPERIENCE

CONFLUENCE

Communication Executive | December 2023 – Present

Leading the firm's end-to-end visual identity and brand communication across a diverse architectural portfolio crafting content that resonates both internally and with prospective clients. Managing and directing the communication team in close partnership with the firm's founders, overseeing all PR deliverables including award submissions, social media, and digital presence, while coordinating with external PR consultants. Serving as a cross-functional collaborator across departments, working alongside directors and project leads to ensure cohesive, compelling storytelling that reflects Confluence's work, culture and creative vision.

MORPHOGENESIS

Senior Executive – Visual Communications | March 2022 – November 2023

Managed visual communication and brand storytelling in collaboration with architects and designers across Delhi, Mumbai, Pune, and Bengaluru studios, translating architectural concepts into compelling visual narratives for national and international media, awards, publications, presentations, and lectures. Developed design-driven content and campaigns for social media, curated archival content, managed branding collateral and vendor coordination, and drove internal engagement through creative communication initiatives.

Nine Thirty Four

Graphic Designer to Team Lead (2021–2022)

Led branding and communication projects for multiple clients, managing creative execution, stakeholder coordination and project delivery for social media, websites and brochures.

TOD Innovations Pvt. Ltd.

Spatial & Graphic Designer (2019–2020)

Designed and executed exhibition projects, conceptualized and executed art installations in collaboration with various production teams and artists across India for national and international exhibitions. Designed exhibition collateral, coordinated print production and vendors, and documented the design process through photography and video.

Major Projects: IHGF (Greater Noida) | Destination North East (IIT BHU) | CMAI (Mumbai) | Sharjah International Film Festival (UAE)

Freelance Projects

Visual Communication & Branding Projects: Delivered branding, book covers, presentations, brochures, event communication, photography, videography and digital content projects for various clients.
